Your doctor sets his or her own rate to charge you. It may be higher -- sometimes much higher -- than what your plan "recognizes." Your doctor may bill you for the dollar amount that we don't "recognize." You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the "recognized charge" counts toward your deductible or out-of-pocket maximums. To learn more about how we pay out-of-network benefits visit our website.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Aetna Rx Home Delivery and Aetna Specialty Pharmacy refer to Aetna Rx Home Delivery, LLC and Aetna Specialty Pharmacy, LLC, respectively. Aetna Rx Home Delivery and Aetna Specialty Pharmacy are licensed pharmacy subsidiaries of Aetna Inc. that operate through mail order. The charges that Aetna negotiates with Aetna Rx Home Delivery and Aetna Specialty Pharmacy may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacies' cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.
